University of North Texas MLS Program Is Coming to Utah
Future Librarians Can Earn Master's Online

The University of North Texas Department of Library and Information Sciences Master of Library Science program is returning to Utah. The next Nevada-Utah Cohort for the online program will begin in September 2009. Students can earn a master's degree by participating in two four-day institutes (September 4 - 7, 2009 and January 15- 18, 2010), with the remainder of the instruction delivered on the web. The Web Institute will be held at Utah Valley University in Orem, Utah in the new library. Information about the program can be found at: <http://www.unt.edu/slis/distance/nevada/index.htm>

Information sessions about the master's program will be held in the Salt Lake City area on the following days:
